Bealtaine Festival

An Age & Opportunity **arts** initiative

Bealtaine is Ireland's national festival which celebrates the arts and creativity as we age. This year the festival is celebrating its 30th anniversary.

The festival is run by Age & Opportunity, the leading national development organisation working to enable the best possible quality of life for us all as we age.

Age & Opportunity Arts provides opportunities for older people to be more creative more often.

It helps create meaningful participation and representation for all older people in cultural and creative life while celebrating how our creative potential can improve with age.

The background of the poster is a white surface with several resin art pieces. In the top left, a large pink circle with a white outline contains the title. To its right is a small white pouch with a blue and red floral design.
